

QUALITY POLICY

With the aim of meeting the needs and expectations of stakeholders, continuously improving our processes, and increasing our participation in the market, the Director and The Typesetter team are committed to:

MISSION

Provide high quality comprehensive linguistic solutions to clients around the globe.

VISION

Become a leader in the industry, respected for the way of doing business and chosen by their associates as an ideal workplace.

VALUES

- Teamwork, solidarity.
- Transparency, honesty, integrity, ethics.
- Promotion of an organizational culture which allows our resources to render an exceptional service.
- Continual improvement of our processes, constant training and the most efficient technology.
- Commitment to our vendors, clients, and government authorities with the aim of achieving long-term growth, abiding by all applicable regulations.
